Professional Summary

Offensive Security practitioner specializing in **Web, API & Network Penetration Testing**, with strong hands-on experience in vulnerability assessment, red-team enumeration, and Python automation. Creator of **VulnX** — a modular, AI-integrated vulnerability scanner. Completed 30+ practical labs across DVWA, Juice Shop, bWAPP, and TryHackMe, demonstrating applied knowledge of OWASP Top 10 and exploitation workflows.

Core Technical Skills

Web Application Security

Burp Suite • OWASP ZAP • SQLMap • ffuf • gobuster • nuclei • Web fuzzing & reconnaissance

Network & Infrastructure Security

Nmap • Nessus • Metasploit • Hydra • Wireshark • SSH/FTP enumeration • Service exploitation

Red Team Skills

Privilege escalation (Linux/Windows) • AD enumeration • exploit chain building • OSINT

Automation & Scripting

Python • Bash • API testing • automation scripts for recon & scanning

Operating Systems

Kali Linux • Parrot OS • Ubuntu • Windows Server

Security Standards & Compliance

ISO 27001 • NIST • GDPR

Projects

 VulnX Scanner (AI-Integrated Modular Scanner)
• Detects headers, injections, file inclusion, WAF weakness.
• Python-based with AI-driven mitigation.

♡ **Web Pentesting Labs** – DVWA, Juice Shop, bWAPP
• Performed SQLi, XSS, CSRF, IDOR, logic flaws.

🔗 **API Penetration Testing**
• Identified BOLA, IDOR, rate limiting, auth flaws.

🎮 **TryHackMe Labs**
• Completed OWASP Top 10, Network Security, Red Team rooms.

Experience

PwC Cybersecurity Virtual Internship (2025)
• Conducted threat analysis & incident response simulations.
• Performed vulnerability assessments aligned with NIST.
• Prepared cybersecurity reports.

Education

Msc PGD in Cyber & Computer Forensics and Related Law (1 Year)

Government Institute of Forensic Science, Aurangabad

(2025-2026)

B.Sc. Cyber and Digital Science
Suryadatta College of Management Information Research & Technology, Pune
SPPU (2022–2025) | CGPA: 8.1 Overall | 8.9 Final Year

Certifications
• Cisco Certified Ethical Hacking Explorer (Cisco Networking Academy)
• TryHackMe Learning Path Achievements

Updated as on : 29th November 2025
